ISO Coordinators, Quality Managers, Quality Engineers 2-DAY ISO 14001 & 45001 INTERNAL AUDITOR TRAINING

Class date:

**Please insert a date from the online class schedule.*

This two-day course provides comprehensive training in the proven techniques used for Internal Auditing to the ISO 14001 & 45001 Standards, including process audits. This course will give you a solid grasp of the principles and techniques that lead to effective audits through workshops, case studies and class discussions. Role-playing audit scenarios will help you develop hands-on understanding that will facilitate the implementation of a good audit program and follows the guidelines of ISO 19011 Internal Auditing.

Cost: \$1,195.00 - includes refreshments, training manual & lunch.
